FEES

Fees are determined by Council from time to time and are subject to revision without notice.

1. TERMS OF PAYMENT

A registered student is personally liable for all tuition and accommodation fees, notwithstanding any pledges of support or bursary that they may have received.

It should be noted that the contract which forms part of the application form for admission to the University of Cape Town and which to that end was signed by the student and/or their legal guardian, legally binds those parties to pay the full tuition and accommodation fees for a year of registration as determined by the University. This liability is not affected nor reduced through ignorance on the part of the student/guardian regarding the rules and regulations of the University of Cape Town or of the validity of his/her registration in terms of the said rules and regulations.

Since a student's fee account is based on his/her academic record and accommodation choices, it is their responsibility to verify the correctness of this information.

1.1 Tuition Fees

Students will be charged for all academic courses for which they register.

First payment is due on or before 02 February 2024

We do not issue detailed statements of account prior to the first payment date. It is therefore the responsibility of the student to pay the first payment as set out below by the due date.

- 1.1.1 Each student must make a first payment of academic fees, as follows, by 02 February 2024, subject to a one-off late payment surcharge of 8%.** This includes students who intend registering after the payment date, for example postgraduate students.

Students registering at the Graduate School of Business see point (b) below for first payment due dates. Qualification not listed in point (b) the due date is 02 February 2024.

Master's (Dissertation only) full-time international fee-paying students (payment due prior to registration)	full fees PLUS R 5 000
PhD full-time international fee-paying students (payable prior to registration)	full fees PLUS R 5 000

Allow at least 14 working days for payment to appear in UCT bank account to avoid delays in registration clearance being granted.

- 1.1.2** The University of Cape Town does not accept responsibility for incorrect addresses, blocked e-mails or postal service deficiencies resulting in statements of account not being received. It is the responsibility of the student to make enquiries should he/she not receive a statement of account. The fact that no statement of account has been received will not be accepted as a reason for failure to pay the university fees by due date.
- 1.1.3** Where a student has applied to the bank for a student loan, the first payment deadline will be extended until 31 March 2024, provided that the Fees Office receives a confirmation letter of an approved loan from the bank. No further extensions will be granted.
- 1.1.4 Bursaries and Sponsorship**
Any student who has been made a firm offer of an external bursary or scholarship must provide the Fees Office with written evidence from his/her sponsors and may deduct one half of the annual award from the first payment of fees due. Awards which have not been confirmed by the due date for payment of fees may not be used to reduce the first payment due. Such awards when confirmed will be credited towards fees due by 31 July 2024. Students who are uncertain on receiving a bursary, which subsequently does not materialize, will not have an adjustment made to the 8% surcharge raised on short payment of the first payment or to interest charged.
- 1.1.5 Final payment must be made by 31 July 2024**
Payment of the balance of fees is due on 31 July 2024. We send out detailed statements of account every month from March onwards.
- 1.1.6** Interest is charged on overdue accounts at 1% per month.
- 1.1.7** Where a student registers for the first time in the second semester of an academic year, the full fees (including residence, if applicable) are payable on registration or **prior to registration** for International Students including those from SADC countries. If fees are unpaid and student registration has been allowed due to residency, the fees are due immediately and interest is payable.
- 1.1.8** Where a student adds one or more courses at the start of the second semester of an academic year, the fees in respect thereof are due immediately and payable within 30 days of registration including summer term. Interest is charged on overdue accounts at 1% per month.
- 1.1.9** For fee purposes the same rules and conditions apply to a student who is provisionally registered at the University of Cape Town as for a registered student.
- 1.1.10** All fees due to the University are a first charge on any scholarship, bursary or loan granted by the University or paid to the University from other sources for the benefit of the student. If the total of bursaries/scholarships exceeds fees due, the balance may be drawn by the student in two equal instalments after 02 February and 31 July if the University has

received payment of the bursary and the refund is agreed to by the sponsor.

- 1.1.11** A student to whom an advance is to be made, or to whom residual funds are to be disbursed, is required to capture his/her banking details on the PeopleSoft Student System via the Student Portal URL: <http://studentonline.uct.ac.za>.

Payments are made by electronic funds transfer and cannot be processed unless bank details have been entered. Students need to keep these current to avoid delays and payments being processed to incorrect bank accounts.

Payments made by online credit card will be refunded back to the same credit card if request is done within the allowable period.

- 1.1.12** A student who has a credit balance on his/her fee account because of an external payment, will not be refunded until at least 14 days have elapsed from the credit of the payment to his/her fee account.

- 1.1.13** Student identity cards must be produced at the Fees Office when withdrawals or refunds from fees accounts are requested. Students will be requested to provide supporting documentation where required.

- 1.1.14** Any case which may not be provided for in these rules will be subject to the ruling of the Council.

1.2 Residence Fees

Students who will be entering UCT student accommodation should refer to Section 13 of this handbook.

1.3 Method of Payment

When making payment the alpha/numeric student number must be used as the reference to ensure prompt credit of payment to the student fees account.

Direct Deposits/Internet Transfers/Cash Payments can be made into the University's bank account at **Standard Bank, Rondebosch; Branch Code 025009, Account Number 27 068 9982**. The student number must be used as the reference.

Credit card payments can be made at the Cashiers Office by the card-holder; on-line directly to the student fee account via the UCT website URL: <http://payonline.uct.ac.za>.

No cash payments will be accepted at the Cashiers Office.

transactions made from an international bank account.

A copy of the deposit slip/transfer form should be e-mailed to the Fees Office, University of Cape Town, fd-feeenq@uct.ac.za to assist with the timeous allocation of payments to the appropriate fees account.

1.4 Payments Received

All payments received will be applied in the first instance to any amount outstanding from the prior year debt. Thereafter payments made will be applied against current year debt in the following order:

Tuition charges,
Residence and meal charges,
External Bursars Allowances,
Finance administration and miscellaneous charges.

1.5 Outstanding Fees

Students with outstanding balances on their fees account exceeding R1 000:

- (a) will not be permitted to graduate;
- (b) will not receive their examination results;
- (c) will not receive an academic transcript;

Students with outstanding balances on their fees account exceeding R10 000:

- (d) will not be permitted to re-register in the following year;
- (e) will not be permitted to register for Summer Term programmes which start in the next academic year;
- (f) will have any offer of a place in residence cancelled on Friday 19 January 2024 if outstanding fees are not paid by Friday, 12 January 2024;
- (g) will not have any subsequent application processed until debt has been settled in full.

1.5.1 Students who have outstanding fees, fines, interest, current registration of occasional non-degree studies or dues will not be awarded degrees or diplomas in:

- (i) March, if any amount is unpaid by 31 January 2024
 - (ii) July, if any amount is unpaid by 31 May 2024
 - (iii) December, if any amount is unpaid by 31 October 2024
- Any changes to the graduation month; fee deadlines will be communicated accordingly

1.5.2 We charge interest monthly on outstanding balances at 1%. Where the final fee payment date is 31 July, interest is charged on outstanding balances at 1% per month from 31 August and at the end of each succeeding month.

1.5.3 A student whose fees are not paid by the due date, and who has not produced evidence of receipt of a bursary/scholarship/loan, may be excluded from attendance at classes or from a residence or a student housing unit.

- 1.5.4** Where a student has prior year outstanding fees, payments received will be allocated to clear unpaid interest first, followed by the oldest debt.
- 1.5.5** A student must check his/her fee account on a regular basis. This is especially important prior to the year-end. Various charges may be debited to fee accounts if the student has not settled these in cash, and these include library fines, traffic fines, student health charges and residence damage costs. Such charges will often appear on fee accounts late in the year. Students can access their fee account from the UCT website via the Student Portal URL: <http://studentsonline.uct.ac.za>.

2. ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering, and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s all-inclusive course-based fee structures published in Section 12 of this booklet, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2024.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up the all-inclusive cost of the course in this booklet. The sum of these costs will give you the total cost for the set of chosen courses as there are no levies or additional academic charges.

Faculty handbooks containing the curriculum for each qualification can be obtained from the relevant faculty office and this information is also available on the UCT web site: [Handbooks | University of Cape Town \(uct.ac.za\)](http://Handbooks | University of Cape Town (uct.ac.za))

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

To assist first time applicants, the table below lists fees for typical first-year undergraduate degrees for South African applicants. It will give you an idea of what the fees are likely to be. They may vary a bit depending on actual choice of courses.

2.1 Typical 1st Year Tuition Fees

International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

A R500 Administration Fee will be charged on all cancellations / withdrawals. International students, including those from SADC countries, refer to Section 5.8.3

10 ACADEMIC FEES

2.2.1 GSB students

Rebates for tuition fees (acceptance and administration fees are not rebated) may be granted depending on when the online application of intention to discontinue studies is received by the GSB Faculty Office.

The unique nature of GSB programmes/courses precludes the organisation from replacing students once a programme/courses has commenced. Consequently, and with due consideration of Section 17(2) of the Consumer Protection Act, the following reduction in the academic fees *may* be considered in special circumstances, depending on when the notice of intention to discontinue studies is received by the Faculty Office:

Programme / Qualification/ course	Last date to add a course	Last date to drop a qualification/course		
		Get 75% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
GSB Full Time	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.
GSB Modular	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.

4. INFORMATION FOR SPONSORS

The following information is supplied to help a sponsor to interpret the fee accounts sent during the year. Please return to the Fees Office any fee statements which are not for your account or which have been addressed to you in error. Regular campus communications will be updated onto UCT website.

- 4.1** The balance of any scholarship or award, after settlement of fees, will be refunded to the student on receipt of your payment. Sponsors must inform UCT in writing if surplus funding is not to be paid out to a student. In most cases, students use funding from additional sources to help them meet expenses incurred in connection with their studies (for example, accommodation and subsistence, books and stationery, transport). Please therefore, ignore credits of this nature when calculating the amount due by you.
- 4.2** The estimated minimum amount required for board and lodging by students not accommodated in residence is **R 118 600** per year or **R 130 400 for Medical Students** who have a longer academic year. We suggest that sponsors require from their students verifiable board and lodging expense accounts if the students reside outside official University accommodation.
- 4.3** Students accommodated in a catering residence who have **not** chosen the full meal option will require the following additional funds to cover meals taken elsewhere:
- 4.3.1 additional approximate amount required by students who have chosen meal option (2), per year **R 8 500**
- 4.3.2 additional approximate amount required by students who have chosen meal option (3), per year **R 11 000**
- 4.3.3 additional approximate amount required by students who have chosen meal option (4), per year **R 8 600**
- 4.4** Students accommodated in self-catering residences will require an approximate amount of **R36 000** per year (**R3 600** per month) to cover the cost of meals.
- Health Science Students in self-catering residences will require an approximate amount of **R40 200** per year (**R4 020** per month) to cover the cost of meals.
- 4.5** We estimate that the following ancillary expenses could be incurred by each student in 2024:
- | | |
|---|-----------------|
| Books and Stationery | R 10 000 |
| Laptop | R 9 300 |
| Educational Equipment | R 5 000 |
| Living expenses, local transport, pocket money and sundries | R 10 000 |

5.6 International and refugee scholarships

A limited number of scholarships are available annually to international and refugee students for postgraduate study in any discipline at UCT. As there is only one call for applications each year, it is important that the application procedure is strictly followed. These scholarships are awarded on a competitive basis and preference is given to senior candidates.

All UCT international and refugee students' scholarships are supplementary as a contribution towards Cost of Attendance. Students who apply must have the means to fund their studies.

Values:

Honours – R25 000

Master's – R30 000

Doctoral – R35 000

The scholarships are renewable for the duration of the course of study, if satisfactory progress is maintained, for 1 year at honours level, 2 at master's level and 3 at doctoral level. Students who are eligible for renewals of awards made, will be automatically renewed on condition of satisfactory progress.

Applicants must apply for full-time admission through the UCT admissions office or the faculty office. Late applications are not accepted.

Closing date: 31 August (preceding the year of study)

[2024 Application Form](#)

The applicant's country of origin has no bearing on the award of scholarships, but proof of refugee status is required. For enquiries please contact: generalfunding@uct.ac.za

Thereafter application should be made through the International Office. If accepted, international affiliates are given third party access to UCT's facilities. **International affiliates are not registered as students and do not enrol in courses, receive supervision, receive official transcripts of attendance for use towards qualifications taken elsewhere or have access to any services offered to registered students.**

International affiliate fees are levied for periods of attendance (or part thereof) as outlined below. Fees are payable in advance and prior to arrival at UCT. The fees for visiting international affiliates are dependent upon the length of their stay at the University of Cape Town and are as follows.

2 months or less	R 7 270

11. UCT ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2024.

Since a student’s fees account is based on his/her academic record, it is the student’s responsibility to verify the correctness of his/her academic record.

To assist students and fee payers’ budget for their academic studies at UCT for 2024 we have set-out below the cost of fees for a typical qualification by faculty and year of study.

Note: The following typical fees for South African students are only guidelines and will vary with the students’ actual choice of courses.

11.1 Typical 1st Year Tuition Fees

International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

12. UCT ACADEMIC COURSES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to calculate the cost of their academic studies at UCT in 2024 accurately.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up **the all inclusive cost of the course** in this booklet. The sum of these costs will give you the **total cost** for the set of chosen courses. **There are no levies.**

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

Faculty handbooks can be obtained from the relevant faculty office and this information is also available on the UCT web site: [Handbooks | University of Cape Town \(uct.ac.za\)](http://www.students.uct.ac.za/handbooks)
Courses added after the publication of this handbook will be listed on the Fees website at <http://www.students.uct.ac.za/students/fees-funding/fees/handbook>
